EXAMINER'S AMENDMENT

Applicant's reply to the Office Action of January 4, 2005 was received in the U.S. Patent and Trademark Office on June 7, 2005, which is after the expiration of the period for reply set in the above noted Office action and the two month extension bought by the Applicant.

Accordingly, an additional one month extension fee has been charged to Deposit Account No. 17-0110 as per 37 CFR 1.136(a). Applicants' representative, Stephen J. Scribner, authorized charging any additional fees to the above account number in the response filed on June 7, 2005.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to the applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicants' Representative, Stephen J. Scribner, on June 21, 2005.

The application has been amended as follows.

In the claims:

In claim 19, line 2: delete " an unmodified" and insert - - a - - instead.

In claim 19, line 3: insert - - wherein said alignment portion comprises at least one facet hook disposed on said shim portion for receiving either one of the superior facet or the inferior facet of a vertebra - - after "portion," and before "such."

In claim 26, line 1: delete "24" and replace with "19" to be consistent with claim amendments.

Cancel claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
